QUOTATION PREPARED FOR

CREA HR ADVISORY

Key Contact: Dinesh Jogi
Designation: Founder
Contact Number: +91 9920367597
Domain: Strategic Human Resources Advisory

02 COMMERCIAL STRUCTURE & BILLING PRINCIPLES

TRANSPARENT ENGAGEMENT MODEL

This commercial quotation outlines a modular, highly value-justified engineering engagement structured into two straightforward tiers: **(1) One-Time Development & Launch: ₹65,000** — Month 1 development, technical setup, production deployment, and launch infrastructure are **100% covered** under this fee. **(2) Managed Infrastructure & Growth Retainer: ₹6,999/month** — billing commences on **Month 2** post-launch for managed high-speed hosting, global CDN, database backups, security maintenance, ongoing SEO optimization, and AI assistant operations. *There is no bundled upfront commitment or quote of ₹1,61,000; the project is completely transparent and staged.*

PHASE 1 · ONE-TIME DEVELOPMENT

₹65,000

Complete Platform Build & Launch (Month 1 fully covered)

- ✓ Premium UI/UX Design Tailored for HR Advisory Trust
- ✓ High-Speed Responsive Frontend Engineering
- ✓ Business Management Infrastructure (Backend & Database)
- ✓ AI HR Assistant (Conversational Chatbot & LLM Setup)
- ✓ Advanced Technical SEO Foundation & Search Visibility Optimization
- ✓ Google Search Console Setup & Indexing Configuration
- ✓ 90+ PageSpeed Launch Performance Target
- ✓ Month 1 Production Hosting, SSL & Launch Operations Included

PHASE 2 · ONGOING MONTHLY RETAINER

₹6,999 / month

Managed Cloud Infra & Growth (Commences Month 2 onwards)

- ✓ Production Cloud Hosting & High-Availability Compute
- ✓ Global Edge CDN, Speed Caching & SSL Security
- ✓ Managed Cloud Database with Automated Daily Backups
- ✓ Conversational AI HR Assistant Engine & Monthly Token Pool
- ✓ Technical SEO Health & Continuous Ranking Optimization
- ✓ Google Search Console Telemetry & Keyword Discovery
- ✓ Core Platform Maintenance & Priority Developer Support

03 ONE-TIME DEVELOPMENT SCOPE (₹65,000 ITEMIZED BREAKDOWN)

SERVICE / COMPONENT	DETAILED ENGINEERING SCOPE & DELIVERABLES	PACKAGE VALUE
Premium UI/UX Design	Bespoke advisory branding, high-trust color palette, typography hierarchy, conversion-focused wireframes, responsive mobile/desktop layouts, and interactive UI prototypes.	₹12,000
Responsive Frontend Engineering	Modern accessible frontend architecture, smooth scroll physics, interactive components, zero-clutter forms, and flawless cross-browser display on mobile, tablet, and desktop.	₹14,000
Backend Development & APIs	Secure business logic API endpoints, inquiry intake routing, contact sanitization, rate-limiting, and structured response systems.	₹8,000
Database Architecture & Setup	Relational schema design, structured models for inquiries, corporate leads, advisory service bookings, indexing, connection pooling, and data encryption.	₹5,000
AI Chatbot Integration	Bespoke conversational AI widget, LLM integration, custom system prompt engineering, HR domain knowledge base configuration, and fallback handling.	₹4,000
Technical SEO Implementation	Semantic HTML5 architecture, canonical tags, automated XML sitemaps, robots.txt, schema markup (Organization, Service, FAQ), Open Graph metadata, clean URLs, and 404 routing.	₹5,000
Advanced SEO Foundation	Keyword mapping for high-value HR consulting queries, on-page H1-H3 hierarchy, internal linking structure, and image alt text optimization.	₹4,000
Blog / Insights Publishing System	Dynamic publishing engine for corporate HR advisories, articles, and whitepapers. Includes author tagging, category routing, structured schema integration, and clean URL hierarchy.	₹3,000
Google Search Console & Indexing	DNS domain verification, XML sitemap registration, manual indexing submission for key pages, and crawl coverage monitoring.	₹2,000
Analytics & Conversion Tracking	GA4 telemetry setup, lead capture event triggers, consultation call-to-action tracking, outbound click monitoring, and traffic reporting.	₹1,500
Performance Optimization (90+ Target)	Asset compression, WebP images, font preloading, critical CSS delivery, lazy loading, and Core Web Vitals tuning targeting 90+ PageSpeed score.	₹3,000
Security, SSL & Deployment	Automated SSL certificate provisioning, HTTP/2 enforcement, security headers (CSP, HSTS), environment variable isolation, and production launch setup.	₹1,500
Testing & Production Launch	Cross-device QA (Chrome, Safari, Edge, Firefox, iOS, Android), form submission integrity audits, stress tests, and official production deployment.	₹2,000
TOTAL ONE-TIME DEVELOPMENT INVESTMENT (Includes Month 1 Full Coverage)		₹65,000

04 PLATFORM ARCHITECTURE & INTELLIGENCE LAYER

● BUSINESS MANAGEMENT INFRA

- **Secure Backend:** Hardened API routes with validation and CSRF defenses.
- **Lead Capture:** Infallible contact ingestion engine with instant email notifications.
- **Database Integrity:** Relational models with strict schema constraints and pooling.
- **Admin Console:** Dedicated administrative view to inspect leads and inquiry submissions.
- **Automated Backups:** Point-in-time snapshot capability and disaster recovery readiness.

● AI HR ASSISTANT LAYER

- **Bespoke Chat UI:** Elegant, brand-aligned floating widget on desktop and mobile.
- **Domain Ingestion:** Grounded in CREA HR's service offerings, policies, and FAQs.
- **Pre-Qualification:** Collects visitor requirements and routes qualified leads.
- **Guardrails:** Robust fallback protocols preventing off-topic responses or hallucination.
- **Abuse Protection:** IP-based rate limiting and prompt-injection defenses.

● SEO & INSIGHTS ENGINE

- **High-Intent Targeting:** HR compliance, retention, talent management, advisory tags.
- **Structured Schemas:** ProfessionalService, Article, and FAQPage JSON-LD.
- **Insights Engine:** Scalable article publishing module for thought leadership.
- **Search Discoverability:** Comprehensive on-page and technical SEO setup engineered to boost website search rankings.
- **Google Indexing:** Automated XML sitemaps and index coverage validation.

05 PERFORMANCE BENCHMARK TARGET

PAGESPEED INSIGHTS PERFORMANCE TARGET

The platform will be engineered with a target of achieving **90+ PageSpeed Insights** performance scores under agreed baseline testing conditions at launch. Optimization includes Core Web Vitals benchmarks (LCP under 2.5s, CLS under 0.1, INP minimization), image optimization, script minification, browser caching, and edge CDN distribution. Verification shall be conducted using **Google PageSpeed Insights**.

06 MANAGED INFRASTRUCTURE & GROWTH RETAINER (₹6,999 / MONTH)

Starting in **Month 2** post-launch, SoWeBuild provides a fully managed platform infrastructure and continuous growth operations service for **₹6,999/month**.

STRATEGIC VALUE · SEARCH ENGINE OPTIMIZATION (SEO)

How SEO Boosts Your Website: Regular technical SEO maintenance, Google Search Console indexing, structured schema validation, and Core Web Vitals optimization will continuously help boost your website's search rankings, organic traffic, and customer inquiries on Google. Proactive SEO keeps your advisory practice visible to high-intent corporate clients searching for HR solutions without recurring ad spend.

MANAGED SERVICE AREA	OPERATIONAL INCLUSIONS & RECURRING DELIVERABLES	MONTHLY ALLOCATION
Production Cloud Hosting & Compute	High-availability cloud runtime compute, SLA uptime monitoring, server memory/CPU resource allocation, and zero-downtime routing.	₹1,450
Global Edge CDN & SSL Security	Worldwide edge asset distribution, automated SSL encryption renewals, DDoS protection, edge caching, and asset delivery optimization.	₹800
Database Cloud Infra & Daily Backups	Managed relational database storage, active query optimization, daily offsite snapshot redundancy, and point-in-time disaster recovery.	₹950
Conversational AI Engine & Tokens	Monthly LLM token allowance, conversational telemetry, prompt fine-tuning, knowledge base updates, and runtime fallback guardrails.	₹850
Technical SEO Health & Schema Sync	Ongoing crawl audits, 404/redirect management, structured schema data synchronization, and technical optimizations to continuously boost search rankings.	₹750
Google Search Console Telemetry	Keyword impressions tracking, indexing validation, organic CTR analysis, mobile usability monitoring, and search query trend discovery.	₹650
Core Web Maintenance & Bug Fixes	Software dependency updates, framework security patches, minor CSS adjustments, and routine operational bug resolution.	₹850
Priority Developer Technical Support	Direct developer telephone and WhatsApp channel, DNS/email troubleshooting, rapid incident triage, and architectural advice.	₹699
TOTAL MONTHLY MANAGED RETAINER (Commences Month 2 Onwards)		₹6,999 / mo

07 PAYMENT MILESTONES & BILLING SCHEDULE

MILESTONE 01 · COMMENCEMENT

₹32,500

50% of One-Time Fee

Due upon formal quotation approval & initiation of design system, UX architecture, and prototype sprints.

MILESTONE 02 · FINAL DELIVERY

₹32,500

50% of One-Time Fee

Due upon demo sign-off, prior to production server deployment, DNS connection, and public launch.

RECURRING · MONTH 2 ONWARDS

₹6,999/mo

Managed Growth Retainer

Invoiced on the 1st of each calendar month starting in Month 2. Covers hosting, CDN, database, AI allowance, SEO & support.

08 COMMERCIAL POLICIES & TERMS

1. FAIR USAGE POLICY FOR AI HR ASSISTANT

AI usage is included within a generous monthly operating allowance sufficient for standard corporate advisory website traffic. Excessive usage or automated volumetric queries substantially above the agreed monthly allowance may incur additional API charges based strictly on actual third-party vendor pass-through costs.

2. MONTH 1 INCLUSION & RETAINER TERMS

All hosting, security configuration, AI setup, and operational deployment during Month 1 are fully absorbed into the ₹65,000 project fee. The monthly retainer of ₹6,999 begins strictly in Month 2. The monthly retainer operates on a flexible month-to-month basis cancellable by either party with 30 days written notice.

3. INTELLECTUAL PROPERTY OWNERSHIP

Upon receipt of full payment of the ₹65,000 development fee, all rights, title, and interest in the custom frontend code, styling, database schemas, and proprietary configurations transfer entirely to CREA HR Advisory. SoWeBuild retains the right to reference the project in its portfolio.

4. REVISIONS & SCOPE GOVERNANCE

Revisions within the defined project scope are accommodated prior to official deployment. The Client agrees to supply necessary corporate logos and domain details in a timely manner. New feature requests beyond this scope will be quoted as separate work orders.

09 QUOTATION ACCEPTANCE & SIGN-OFF

By signing below, the Client approves this commercial quotation and authorizes SoWeBuild to proceed with project commencement.
